How to play

1. Both players start on HELLO. Roll one die and move.

2. Land on a ♥ square: your partner reads you a card and you answer it honestly. Then they can answer it too if they like.

3. Do what the special squares say.

4. The first to reach the finish chooses your next date, and the other one plans it.

5. Skip any card you want. This is for fun, not a test.

Printing tip: print page 1 on card stock, or glue it to cardboard. Cut the cards along the dashed lines.
