6 × 12

Answer: 72

★ MULTIPLICATION RACE BOARD GAME

8 × 12

Answer: 96

★ MULTIPLICATION RACE BOARD GAME

7 × 12

Answer: 84

How to play

1. Everyone starts on START. Take turns rolling one die and moving.

2. Land on a ★ square: another player reads you a card. Get it right and move ahead 2. Wrong? Stay put and keep the card at the bottom of the pile.

3. Follow the instructions on special squares.

4. First to FINISH wins.

5. Make it harder: roll two dice, multiply them, and you must say the answer before you move.

Printing tip: print page 1 on card stock, or glue it to cardboard. Cut the cards along the dashed lines.
