A Year of Date Night Ideas

One simple plan for every month

A Year of Date Night Ideas

One simple plan for every month

Twelve-plus date ideas that don't need a big budget. Pick a date, send one clear invitation, and handle the details yourself.

Cook something neither of you has made before.

Plan it this week: pick a date, send one clear invitation, and handle the details yourself.

Sunset walk and takeaway somewhere with a view.

Plan it this week: pick a date, send one clear invitation, and handle the details yourself.

Board games or cards, with a small bet (loser makes breakfast).

Plan it this week: pick a date, send one clear invitation, and handle the details yourself.

Visit a free museum or gallery evening.

Plan it this week: pick a date, send one clear invitation, and handle the details yourself.

Picnic in a park, even if it's just sandwiches.

Plan it this week: pick a date, send one clear invitation, and handle the details yourself.

Try a class together: pottery, climbing, dancing.

Plan it this week: pick a date, send one clear invitation, and handle the details yourself.

Outdoor movie or a film at home under blankets in the garden.

Plan it this week: pick a date, send one clear invitation, and handle the details yourself.

Farmers' market morning and cook what you buy.

Plan it this week: pick a date, send one clear invitation, and handle the details yourself.

Go back to the place of your first date.

Plan it this week: pick a date, send one clear invitation, and handle the details yourself.

Apple picking, a pumpkin patch or a fall drive.

Plan it this week: pick a date, send one clear invitation, and handle the details yourself.

Make a playlist for each other and swap.

Plan it this week: pick a date, send one clear invitation, and handle the details yourself.

Walk around the holiday lights with a hot drink.

Plan it this week: pick a date, send one clear invitation, and handle the details yourself.
